WHY KEEP RECORDS?

Keeping records on your project can be interesting and fun.

Good records will:

- *Help you learn about animals, their rate of growth, the cost of feed, and their habits.
- *Help you learn future projects.
- *Let you know if you made or lost money, and how much.
- *Improve your management practices.
- *Give you a record of your project activities.

Keep this record as a part of your Member's Personal 4-H Record(4-H 1192), which provides space for a complete record of your 4-H projects and activities. This information is helpful if you ever apply for 4-H awards or scholarships.
