

NCAFA Build-A-Barn Project

The Newaygo County Agricultural Fair is seeking your help to build a new barn. Sponsoring a truss or post in this new barn will support continued growth of the fair and many exhibit opportunities for the youth of Newaygo County and their livestock projects. Each truss or post will display the name of the sponsoring individual, family, or organization.

Please consider sponsoring a truss or post and claim your space in history. NCAF is a 501c3 non-profit organization, so your sponsorship may be tax deductible. Be sure to include "Build-A-Barn" in the memo line of your check.
